TRADEMARK SECURITY AGREEMENT

THIS TRADEMARK SECURITY AGREEMENT ("Agreement") is made and entered into this 5th day of April, 2004, between **TIMCO AVIATION SERVICES, INC.**, a Delaware corporation (the "Parent"), and **THE CIT GROUP/BUSINESS CREDIT, INC.**, a New York corporation, in its capacity as agent for itself and the other Lenders (as such term is defined in the "Financing Agreement" as defined below) (hereinafter referred to as the "Agent").

WITNESSETH:

WHEREAS, the Parent, its subsidiaries, Agent and Lenders are parties to a Financing Agreement, dated of even date herewith (as amended, modified, supplemented or restated from time to time, the "Financing Agreement"), pursuant to which Lenders have agreed to make loans and extend credit and other financial accommodations to the Parent and certain of its subsidiaries (collectively, the "Borrowers"), all as more particularly described therein, which Financing Agreement provides (a) for Lenders to extend credit to or for the account of Borrowers and (b) for the grant by Companies (as defined in the Financing Agreement) to Agent for the benefit of Lenders of security interests in all of each Company's assets, including, without limitation, Parent's trademarks, trademark applications, trade names and goodwill;

NOW, THEREFORE, in consideration of the premises and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, and intending to be legally bound hereby, the Parent agrees as follows:

1. **Defined Terms.** All capitalized terms used herein without definition shall have the meaning ascribed to such terms in the Financing Agreement.

2. **Grant of Security Interest.** As security for the payment and performance of the Obligations, the Parent hereby grants to Agent for the benefit of Lenders liens and security interests in all of the Parent's right, title and interest in, to and under the following property, in each case whether now existing or hereafter acquired or arising and whether registered and unregistered and wherever the same may be located (the "Trademark Collateral"):

(a) all state (including common law), federal and foreign trademarks, service marks and trade names, corporate names, company names, business names, fictitious business names, trade styles, trade dress, logos, other source or business identifiers, domain names, designs and general intangibles of like natures, now existing or hereafter adopted or acquired, together with and including all licenses therefor held by the Parent (unless otherwise prohibited by any license or related licensing agreement under circumstances where the granting of the security interest would have the effect under applicable law of the termination or permitting termination of the license for breach), and all registrations and recordings thereof, and all applications filed or to be filed in connection therewith, including registrations and applications in the United States Patent and Trademark Office, any State of the United States or any other country or any political

subdivision thereof, and all extensions or renewals thereof, including any of the foregoing identified on Exhibit A hereto (as the same may be amended, modified or supplemented from time to time), and the right (but not the obligation) to register claims under any state or federal trademark law or regulation or any trademark law or regulation of any foreign country and to apply for, renew and extend any of the same, to sue or bring opposition or cancellation proceedings in the name of the Parent or in the name of Agent for the benefit of Lenders for past, present or future infringement or unconsented use thereof, and all rights arising therefrom throughout the world (collectively, the "Trademarks");

(b) all claims, causes of action and rights to sue for past, present or future infringement or unconsented use of any Trademarks and all rights arising therefrom and pertaining thereto;

(c) all general intangibles related to or arising out of any of the Trademarks and all the goodwill of the Parent's business symbolized by the Trademarks or associated therewith; and

(d) all proceeds of any and all of the foregoing Trademark Collateral, including, without limitation, license royalties, rights to payment, accounts receivable, proceeds of infringement suits and all payments under insurance or any indemnity, warranty or guaranty payable by reason or loss or damage to or otherwise with respect to the foregoing Trademark Collateral.

3. Representations, Warranties and Covenants of the Parent. The Parent represents, warrants and covenants that:

(a) The Trademark Collateral is, to the best of its knowledge, subsisting and has not been judged invalid or unenforceable;

(b) The Parent is the sole and exclusive owner of the entire and unencumbered right, title and interest in and to or, in the case of Trademark Collateral licensed from third parties, has a license to use, the Trademark Collateral;

(c) The Parent has used, and will continue to use for the duration of this Agreement, proper statutory notice in connection with its use of the Trademark Collateral;

(d) The Parent will maintain the quality of the products associated with the Trademark Collateral, generally at a level consistent with the quality as of the effective date of this Agreement, subject to the introduction of new products from time to time, and product modifications in the ordinary course of business; and

(e) The Parent has the unqualified right to enter into this Agreement and perform its terms.

4. Visits and Inspections. The Parent hereby grants to Agent and its employees and agents the right on prior notice to the Parent to visit the Parent's plants and facilities which manufacture, inspect or store products sold under any of the Trademarks, and to inspect the products and quality control records relating thereto at reasonable times during regular business hours. The Parent shall do any and all acts required by Agent to ensure the Parent's compliance with Section 3(d) of this Agreement.

5. Restrictions on Future Agreements. The Parent agrees that, until all of the Obligations have been satisfied in full and the Financing Agreement has been terminated in writing, it will not without Agent's prior written consent, enter into any agreement which is inconsistent with the Parent's duties under this Agreement, and the Parent further agrees that it will not take any action, or permit any action to be taken by others subject to its control, including licensees, or fail to take any action, which would affect the validity and enforcement of the rights granted to Agent for the benefit of Lenders under this Agreement.

6. After-Acquired Trademark Rights. If, before the Obligations have been satisfied in full, the Parent shall obtain rights to any new trademarks, or become entitled to the benefit of any trademark application or trademark for any renewal of any Trademark, the provisions of Section 2 hereof shall automatically apply thereto, and the Parent shall give to Agent prompt notice thereof in writing. The Parent authorizes Agent to modify this Agreement by amending Exhibit A to include any future trademarks and trademark applications which are Trademark Collateral under Section 1 hereof or this Section 6 and Agent shall provide to Parent a copy of the amendment to this Agreement amending Exhibit A.

7. The Parent's Rights Prior to Event of Default. Unless and until there shall have occurred and be continuing an Event of Default, the Parent shall continue to own, and may use and enjoy the Trademark Collateral in connection with its business operations, but only in a manner consistent with the presentation of its current substance, validity and registration.

8. Remedies Upon Event of Default. If an Event of Default shall have occurred and be continuing:

(a) The Parent or any successor-in-interest shall assign all of the Parent's right, title and interest in and to the Trademark Collateral to Agent for the benefit of Lenders or its designee;

(b) The Parent further agrees to execute and deliver all documents at the request of Agent necessary to vest in Agent for the benefit of Lenders or its designee all of the Parent's right, title and interest in and to the Trademark Collateral; and

(c) Agent shall have, in addition to all other rights and remedies given it by this Agreement, those allowed by law and, specifically, those of a lender under the UCC. Notice of any sale or other disposition of the Trademark Collateral shall be deemed reasonable and sufficient if given the Parent at least ten (10) days before the time of any

intended public or private sale or other disposition of any of the Trademark Collateral is to be made.

9. Power of Attorney. The Parent hereby makes, constitutes and appoints Agent and any officer or agent of Agent as Agent may select as the Parent's true and lawful attorney-in-fact, with full power to do any or all of the following if an Event of Default shall occur and be continuing: to endorse the Parent's name on all applications, documents, papers and instruments necessary for Agent and Lenders to use the Trademark Collateral, or to grant or issue any exclusive or nonexclusive license under the Trademark Collateral to anyone else as necessary for Agent to assign, pledge, convey or otherwise transfer title in or dispose of the Trademark Collateral to anyone else. The Parent hereby ratifies all that such attorney shall lawfully do or cause to be done by virtue hereof. This power of attorney shall be irrevocable until all of the Obligations shall have been satisfied in full and the Financing Agreement shall have been terminated in writing.

10. Release of Security Interest. At such time as all of the Obligations shall have been satisfied and paid in full, Agent shall execute and deliver to the Parent all releases, termination statements, and other instruments as may be necessary or proper to release or reflect the release of Agent's security interest in the Trademark Collateral, including all documentation necessary to reflect such release in the United States Patent and Trademark Office.

11. Costs and Expenses. Any and all reasonable fees, costs and expenses, of whatever kind or nature, including reasonable attorneys' fees and legal expenses, incurred by Agent or any Lender in connection with the preparation of this Agreement and all other documents relating hereto and the consummation of this transaction, the filing or recording of any documents (including all taxes in connection therewith) in public offices, the payment or discharge of any taxes, counsel fees, maintenance fees, encumbrances or otherwise protecting, maintaining, or preserving the Trademark Collateral, or in defending or prosecuting any actions or proceedings arising out of or related to the Trademark Collateral, shall be borne and paid by the Parent on demand by Agent or such Lender and until so paid shall be added to the amount of the Obligations and shall bear interest at the rate prescribed in the Financing Agreement.

12. Litigation and Proceedings.

(a) The Parent shall have the duty, through counsel acceptable to Agent, to prosecute diligently any trademark application of the Trademarks pending as of the date of this Agreement or thereafter, other than those discontinued or abandoned in the ordinary course of business, until the Obligations shall have been paid in full and to preserve and maintain all rights in trademark applications and trademarks of the Trademarks in the ordinary course of business. Any expenses incurred in connection with such an application shall be borne by the Parent. The Parent shall not abandon any right to file a trademark application, or any pending trademark application or trademark, other than those which discontinued or abandoned in the ordinary course of Parent's business and in accordance with the Parent's past business practices.

(b) Agent shall have the right, but shall in no way be obligated, to bring suit in its own name for the benefit of Lenders, as the holder of a security interest in the Trademark Collateral, to enforce the Trademarks, and any license thereunder, in which event the Parent shall at the request of Agent do any and all lawful acts (including bringing suit) and execute any and all proper documents required by Agent in aid of such enforcement and the Parent shall promptly, upon demand, reimburse and indemnify Agent for all costs and expenses incurred in the exercise of its rights under this Section 12. Nothing herein shall be deemed to prohibit the Parent from bringing any such suit in its own name at any time that an Event of Default does not exist, if Agent declines to institute suit.

13. Agent May Perform. If the Parent fails to comply with any of its obligations hereunder, Agent may do so in the Parent's name or in Agent's name, but at the Parent's expense, and the Parent agrees to reimburse Agent in full for all expenses, including reasonable attorney's fees, incurred by Agent in prosecuting, defending or maintaining the Trademarks or Agent's or any Lender's interest therein pursuant to this Agreement.

14. Severability. The provisions of this Agreement are severable, and if any clause or provision shall be held invalid and unenforceable in whole or in part in any jurisdiction, then such invalidity or unenforceability shall affect only such clause or provision, or part thereof, in such jurisdiction, and shall not in any manner affect such clause or provision in any other jurisdiction, or any other clause or provision of this Agreement in any jurisdiction.

15. Modification. This Agreement is subject to modification only by a writing signed by the parties, except as provided in Section 6 hereof.

16. Binding Effect; Benefits. The benefits and burdens of this Agreement shall inure to the benefit of and be binding upon the respective successors and permitted assigns of the parties.

17. Notices. Except as otherwise herein provided, any notice or other communication required hereunder shall be in writing (provided that, any electronic communications from the Parent with respect to any request, transmission, document, electronic signature, electronic mail or facsimile transmission shall be deemed binding on the Parent for purposes of this Agreement, provided further that any such transmission shall not relieve the Parent from any other obligation hereunder to communicate further in writing), and shall be deemed to have been validly served, given or delivered when hand delivered or sent by facsimile, or three days after deposit in the United State mails, with proper first class postage prepaid and addressed to the party to be notified or to such other address as any party hereto may designate for itself by like notice, as follows:

19. Waiver of Jury Trial. TO THE EXTENT PERMITTED BY APPLICABLE LAW, THE PARENT AND AGENT EACH HEREBY WAIVES ANY RIGHT TO A TRIAL BY JURY IN ANY ACTION OR PROCEEDING ARISING OUT OF THIS AGREEMENT, THE LOAN DOCUMENTS OR THE TRANSACTIONS CONTEMPLATED HEREUNDER OR THEREUNDER.
